Bylaw Tips

When a vehicle parks with the driver side door facing the curb, three separate things happen

- The operator of the vehicle has crossed over into the opposing Driving lane to park
- The operator again will travel a certain distance into the opposing driving lane when leaving from the curb
- The operator is putting themselves at risk of colliding with vehicles approaching from the rear

Streetscapes

For information on the Streetscapes project please visit the Town of Vermilion website at http://www.vermilion.ca/streetscapes_project

Town of Vermilion Sidewalk Snow Removal

(Never too early to plan for the future)

Council for The Town of Vermilion has made changes to the Sidewalk Snow Removal Policy. It is now the responsibility of the property owner or resident to remove the snow and ice from sidewalks adjacent to their property. This includes the frontage and as well the flankage (side yard). This change will provide consistency throughout Town for responsibility of cleaning sidewalks.

The change that residents will notice is the residential portion of the sidewalks listed below will no longer be cleared of snow & ice by the Town.

- 50 Avenue from 44 Street to 49 Street
- 50 Avenue from 52 Street to 59 Street
- 49 Avenue from 44 Street to 49 Street
- 46 Street from 55 Avenue to 48 A Avenue
- 48 Street from 50 Avenue to 55 Avenue
- 52 Avenue from 59 Street to Beckie Scott Trail

The Policy reads as follows:

FOR THE PURPOSES OF SIDEWALK CLEARING OPERATIONS, SIDEWALKS ADJACENT TO TOWN OWNED PROPERTY AND SIDEWALKS IDENTIFIED ON THE SIDEWALK SNOW REMOVAL MAP (EXHIBIT #3)(ON REVERSE OF THIS PAGE) SHALL BE CLEANED BY THE TOWN.
