

Angus Watt to speak at Vermilion Region Partnership Breakfast

FOR IMMEDIATE RELEASE

VERMILION, AB (March 4, 2011).

The Vermilion Region Partnership is excited to present its first Economic Partnership Breakfast to businesses in the Town of Vermilion, County of Vermilion River and surrounding area.

The Vermilion Region Partnership is a partnership established between the Town of Vermilion Community Economic Development, County of Vermilion River Economic Development, Alberta Employment and Immigration, Vermilion and District Chamber of Commerce, Rotary Club of Vermilion, Lloydminster and Region Community Futures and Lakeland College.

The partnership committee has been working together to initiate a "Business Breakfast" as an avenue to provide employers in the region with opportunities to build capacity by providing current information on various topics relevant to businesses, assist employers in the attraction and retention of employees and provide an opportunity to develop both a strong business network and share best practices.

"We are very pleased to announce *Mr. Angus Watt, Managing Director, National Bank Financial*, as our first guest speaker at the inaugural Vermilion Region Partnership Breakfast" said Mary Lee Prior, Vermilion Community Economic Development Coordinator. The breakfast will take place at the Vermilion Regional Centre in Vermilion at 6:45am on Thursday, March 31, 2011. Tickets can be purchased up until March 24 at a cost of \$10 each and are available at the Town of Vermilion Office, and MacDuff Financial Services in Vermilion, the County of Vermilion River Office in Kitscoty and the Lloydminster Chamber of Commerce.
