ACCEPTABLE WASTE AT TRANSFER SITES:

Please Note that large quantities of construction materials such as shingles, siding, etc. must be taken to the Vermilion site. We also request that **ALL** contractors take their waste to the Vermilion Transfer Site for disposal providing the quantities and types have been approved. It's always a good idea to phone before you take the waste to Vermilion in order to ensure that it will be accepted, and to receive any instructions. The number for the Vermilion Transfer Site is 780-853-4572.

1. Household Waste.
2. Cardboard.
3. Used Oil and Filters.
4. Lead-Acid Batteries only.
5. Metal.
6. Freon Appliances (such as fridges, freezers, water coolers). Contractors must pay \$25 per unit for these, but there is no charge for rate payers.
7. Propane Bottles. There is no charge to rate payers for these.
8. Clean Agricultural Pesticide Jugs (these are accepted at all our sites except for the Kitscoty Transfer Site).
9. Used Mattresses and Furniture.
10. Used Tires.
11. Clean Burnables and Yard Waste
12. Rolled Wire

The following products are accepted at the Vermilion, Kitscoty, Marwayne, Dewberry/Clandonald and Paradise Valley sites only:

1. E-Waste (computer hardware, televisions).
2. Used Paint and Paint cans up to 23 litre size.
3. Aerosol paint cans
4. Hazardous Waste (as per the attached list)

We will not accept large industrial quantities of paint and hazardous waste at any of our sites.

We will not accept biohazard material.

We do not accept concrete.

It is important to note that our transfer sites are for household waste disposal only, and they are not designed for large quantities of construction material. All waste when brought to our sites must be separated by the rate payer and put in the correct bin or holding compound.
