MEDIA RELEASE

RE: COVID-19 (Coronavirus)

As the COVID-19 (Coronavirus) evolves and circumstances continue to change rapidly in the province and within our community, the priority for the well-being of our residents is first and foremost.

All Town facilities including the Town Office continue to be closed to the public until further notice. Staff will be working and available by phone 780-853-5358. Utility payments can be made on-line or left in our drop box at the front door of the Town Office.

All Council meetings will be closed to the public until further notice. We will be endeavouring to setup an electronic link to allow access to meetings remotely. Please follow our website and watch for the appropriate link.

With regard to the By-election, and in light of the health concerns around the Coronavirus COVID-19; Council has asked the Minister of Municipal Affairs to give the town authorization to postpone the By-election. The six nominated candidates have been advised, and will be asked to refrain from campaigning until we have a response from the Minister.
