MEDIA RELEASE

May 22, 2020

RE: Summer Fun Program 2020

It is with sadness the Town of Vermilion will not be offering the Summer Fun Program for 2020. While we tried to work through staffing and venue logistical issues, the restrictions set forth by from the Provincial guidelines have presented obstacles we simply cannot work around. The Town of Vermilion prides itself on offering quality programming for the community at an affordable cost for our residents.

We look forward to offering the Summer Fun Program in 2021 with even more fun and camp excitement in a time that will hopefully allow for larger groups and reduced social distancing.

The Town of Vermilion would like to remind everyone, your outdoor play spaces are open! Please be mindful of the current Provincial Guidelines and restrictions currently in place that helps you to stay safe. <https://www.alberta.ca/assets/documents/covid-19-relaunch-guidance-outdoor-recreation.pdf>
