VRRWMSD Indemnity Agreement

Council made a motion to approve and enter into the indemnity agreement with the Vermilion River Regional Waste Management Services Commission for a period of twenty (20) years. This agreement is in place to safeguard the Town's liability as it relates to the landfills operated outside of our jurisdiction by the Vermilion River Regional Waste Management Services Commission.

Enhanced Policing Position

Council made a motion to send a letter to the County of Vermilion River in response to their request to cost share in the funding of Enhanced Policing Positions through the Royal Canadian Mounted Police. Given the ongoing provincial discussions as it relates to policing in Alberta, Council has deferred participation in this cost-sharing initiative at this time.

Council made a motion to receive the briefing note on the Vermilion Fire Department double detached garage installation as information. This additional garage installation will help provide additional storage to the Vermilion Fire Department and was donated to the Town by the Orphan Well Association.

Health Care Providers Attraction & Retention

Council made a motion to receive the capita request of \$26,000 for the Health Care Providers Attraction and Retention Committee as information and further send a letter to the Committee as a means of obtaining more details related to their budget, spending plans, and what the Town can expect to see as it pertains to the standard for contributions in 2026 and 2027.
