

Alberta Broadband Networks Welcomes Northern Lights Fiber as our New Service Provider

Edmonton, Alberta – March 28th –As a follow up to the launch release Feb 5th .

Alberta Broadband Networks is pleased to welcome **Northern Lights Fiber** as our newest Service Provider. After a successful launch in February, we are excited to see the progress our new partner has made in delivering high-speed fiber internet, TV and Voice services to communities across our Alberta footprint .

While we continue to actively support our key initial customer base in partnership with Primus Communications, the addition of Northern Lights Fiber to our network brings **expanded options and an exciting suite of new services** for all our customers. With **Northern Lights Fiber now fully operational on our network**, Alberta residents and businesses can benefit from enhanced connectivity solutions tailored to their needs.

For additional information, please contact the **Northern Lights Fiber** Team for any inquiries.

[Home - Northern Lights Fiber](#) or call **1-888-236-2947**.

About Northern Lights Fiber

Northern Lights Fiber™ is the retail division of Canadian Fiber Optics Corp (CFOC), a privately held company that has been delivering **100% fiber internet to underserved communities in Alberta for over seven years**. By the end of 2024, the Company provided service to **20 communities and placed over 1,000 kilometers of fiber optic infrastructure**.

With offices in Calgary, Grande Prairie, and a new location opening in Sherwood Park (Q1 2025), Northern Lights Fiber is dedicated to closing the digital divide across Alberta and beyond. Its 24/7 customer support team, based in Grande Prairie, and answered by real people, with support available every day.
