Bibliothèque et Archives Canada

THE READY COMMITMENT

Title sponsor

Drop off your filled-out Registration package with payment to the Town of Vermilion Hall drop box or email to Haley at sstudent@vermilion.ca

When you have dropped off your filled-out registration package, please join the Summer Fun 2021 Facebook group called "Vermilion's Summer Fun 2021"

If you have any questions regarding Summer Fun please email the Summer Fun Coordinator, Haley Hendriks at sstudent@vermilion.ca or call her at 639-536-0110

For Parents / Guardians

Summer fun is finally back! We are so happy to once again have all your children's smiling faces this summer! Get ready for another fun-filled summer with the Vermilion Summer Fun Program! As always, our goal is to provide an enjoyable, positive, and safe experience for children aged 5-11. With the help of the Town of Vermilion, Alberta health services and the Vermilion Public Library to make our summer fun as adventures possible. We will incorporate these groups throughout the summer, with a focus on reading, getting physically active, and promoting a healthy lifestyle. This program aims to provide new and exciting learning experiences for school aged children throughout July and August, by supplying activities and field trips that incorporate fun learning experiences. Although this summer will look a bit different compared to the previous summers, we will take it one step at a time for your children to make lots of memories while staying healthy and safe, but most importantly HAVE FUN! *Note: Children attending the program MUST be 5 years old as of the tentative start date of the program (July 5th, 2021).

COVID-19 Update

As COVID-19 restrictions relax, our program will flourish. With this, we will follow any COVID-19 protocols that the government places to prevent the spread of Covid-19. Please be patient with us currently, as we all know that restrictions are always subject to change at any given time. Group sizes will be aligned with the current COVID-19 restrictions as mandated by the Province of Alberta. We will work hard to update everybody on any new announcements and changes, as well as making important decisions on how the program will be ran.

This summer we have a wide variety of activities planned, many of them relating to the theme 'Game On' which is supported by the Toronto Dominion Reading Club. Their theme Children will experience this year's theme through games, field trips, theme days and more, all while reading great books.

Our program will offer a variety of packages to accommodate each individual family. We have one-day, four weeks, and up to eight-week options available. This summer, we have once again decided to better accommodate our children by creating two separate groups at camp. One group will be for children 5-8, while the other is for children ages 9-11 (Based on the difficulty level of the activity 8-year old's may be placed with the older group). Both groups will be at the same location but will have different age appropriate activities for each group. Please find enclosed a fee scheme, the policies and procedure overview, as well as a tentative program overview highlighting daily events. Please note that events on the calendar may change. Pages ten to sixteen of this package are to be filled out and returned when registering. Parent and child program evaluation forms are included, which we ask are filled out whenever your child's time at the camp is done. Please take the time to fill out these surveys at the end of your child's time with the program; they

are very important to our sponsors and funding, as well as our Summer Fun staff. The surveys may be dropped off at the Town Hall or brought with your child on their last day of camp.

Please register as soon as possible, as dates tend to fill up, and it will assist us in our preparations. Join our Facebook group, "Summer Fun 2021" to receive updates, reminders, and further information throughout the summer! If you have any questions or concerns, contact Haley at 639-536-0110 (cell) or by e-mail at sstudent@vermilion.ca.

Introduction

Hello, my name is Haley Hendriks, and this is my third year working with the Summer Fun program. 2018 was my first year as an assistant and in 2019 I took on the role of coordinator. I am so excited to once again be back this summer as coordinator! I graduated Lakeland College with a certificate in the Educational Assistance program in 2018. I am currently doing classes in Edmonton with hopes to transfer to the University of Alberta for Elementary Education. This summer position will allow me to continue to learn and apply my skills and knowledge about children to this job as well in my future career. The Summer Fun assistants, as well as I am very eager to see the returning campers and to make memories with our new team. If you have any questions, suggestions or comments throughout the summer, feel free to contact me at any time (cell: 639-536-0110), so I can make this summer as enjoyable as possible.

Location

This year Summer Fun will be returning to the Regional Center, located at: 5702 College Dr. Vermilion. Here we will have access to the primary and secondary dance rooms for all our activities. There are multiple playgrounds within walking distance from the center as well as a large grassy area just across the street. This location is also only a short walk away from the swimming pool! Please use the doors located on the southwest side of the building. **Please note that indoor runners are a MUST.**

Special Events and Field trips

Due to COVID-19, special events and field trips are not being booked until we know what the regulations for each event will look like. This is a difficult decision to make but no stress, we are working extra hard to provide your children with lots of fun within our local areas.

Parent Volunteers

I encourage parents or guardians who want to share a special talent or skill (whether it is a craft, sport, or knowledge about a topic) that would be of interest to children, to contact me. You may have an opportunity to lead a group activity or learning session! Parents are also welcomed to drop in during any session to observe our program or lend a helping hand or accompany us on our many field trips throughout the summer.

Leaders in Training

There is an opportunity for youth ages 13-17 to become Leaders in Training (LITs) for this program. As volunteers, they will gain valuable leadership experience as they assist leading the children in their activities. We welcome and thank all applicants. For more information or questions call Haley at 639-536-0110. To apply, please send a resume to sstudent@vermilion.ca.

Required Gear

We will be spending a great deal of time outdoors. We ask that your child is wearing sunscreen when he or she arrives in the morning. In addition, we ask that the following items accompany your child:

- 1. Insect Repellent
- 2. Extra Set of Clothes
- 3. Labelled water bottle & labelled hat
- 4. **Sunscreen** with name for afternoon application
- 5. Bagged lunch with midmorning and afternoon snack
- 6. Bathing suit and towel to be sent every day! We only go swimming once a week however on a hot day it is refreshing for the kids to be able to cool down at the provincial park spray park or our own water activities outside the regional centre.
- 7. Indoor Closed-toe shoes. For safety reasons, Crocs are NOT encouraged.
- 8. Any medication that may be required. (Please refer to the Procedures section and contact Haley if your child requires medication during camp time.)
- 9. Due to COVID-19, your child may be required to wear **a mask** at some point indoors, throughout our day. More information on this at a later date.

***As some children have severe allergies to nuts, we ask that snack and lunches have NO NUT PRODUCTS. This includes peanut butter and some chocolate snacks. If your child does bring a snack that contains nuts, we will put it in the kitchen and at the end of the day the snack will be given back to take home. If you are sending wow butter, we ask that you please mark the bag, send a note or let one of our staff know in the morning! ***

What Not to Bring

We request that parents do not send electronics and toys with their children to the Summer Fun program except for the designated days where electronics will be permitted (Please see our events calendar). There is a possibility that these items could get lost or broken and therefore are much safer at home. We also caution children when bringing Pokémon and other trading cards as they may get lost or damaged. Any toys or personal items that may cause a problem throughout the summer will also be asked to stay at home.

29	30	31				

^{**}this is not a permanent schedule. Please use these calendars as a rough idea of what your child/rens days will look like. All plans are subject to change due to COVID-19, as well as many of these activities are weather dependent and can be switched around. Summer Fun Coordinator and Assistants will do their best at informing parents and children in advance when there are any changes.

Days to Remember:

- ***Wednesdays mornings** we will be going to the public library. If your child has a library card they are welcome to bring it with them. Campers will be responsible for their library cards unless staff have been asked to look after them. ***Wednesday Afternoo**ns, Summer Fun will walk to the outdoor oven and VIBE will do activities with us
- > Every day, I ask that you pack a swimsuit with your child in case we end up at the spray park on a beautiful day. However, our swim days are every *Thursday so please ensure your child brings a swimsuit and towel on those days.
- There will be a more detailed, finalized list of days to remember once the program starts.

*Note: because of Covid, these days are tentative as some activities are not yet finalized or confirmed. These days are just to give you a rough idea of what could be to come.

Summer Fun Policies and Procedures

- 1) The Summer Fun Program will run Monday through Friday starting Monday, July 5th and the last day of the program will be Friday, August 27th. **There will be no camp on Monday, August 2**nd **due to the Civic Holiday.**
- 2) Program hours will be 9:00 am to 4:00 pm. There will be supervision from 8:00am to 5:00 pm. **Any child remaining after 5:00 pm will be subject to the late pick up fee.** During the lunch hour, most often between 12:00 and 1:00 pm, the children are required to remain at the program.
- 3) Children must be signed in and out of the program daily. On the registration form, parents will indicate who has permission to pick up their child (ren). If children are to transport themselves, parents must sign a waiver when registering. If these are subject to change, parents MUST let one of the staff know, call or text Haley in advance, letting us know that someone else is picking up your child from the program.
- 4) For safety measures, please call/text to inform me if your child (ren) will be arriving late, or not attending for the day (639-536-0110 is my cell phone number). If I do not happen to answer, please leave a message or text me.
- 5) If the child is to leave supervision during the day, the Program Coordinator must be notified in writing by a parent or guardian, the morning of that day. Otherwise, no child is to leave the supervision of the Summer Fun staff during the hours of the program.
- 6) The Summer Program Assistants will be given equal responsibility for care of the children with the Program Coordinator for their session.
- 7) If your child requires medication during camp time, the following procedures apply: Put only the medication for that day into a sealed zip-lock bag, and sign-in medication to Program Coordinator. The sign in sheet will indicate the time that the medication must be taken, as well as other necessary information. The Coordinator will give the child the medication bag at the designated time, and the child will administer his or her own medication.
- 8) We will be vigilant in addressing bullying and misbehaviour. The Assistants will have the right to report incidents and behavior to the Program Coordinator who will then take the appropriate disciplinary action. Our priority is the safety and well-being of all the children in the program. If a child's behavior interferes with this goal, the child may be dismissed from Summer Fun **without a refund.**

<u>Please Note</u>: Children with special needs are required to have an aide while at camp, including behavioral challenges and severe allergies. As per policy, if your child requires an aide in the school setting, you are obliged to have your child accompanied by an aide for the Summer Fun program as well.

Summer Fun Child Discipline Policy

Our staff is committed to delivering an enjoyable and safe program to all registrants. With this philosophy ever present in our minds, we follow an established discipline policy for dealing with behaviors that are not acceptable at Summer Fun. We recognize that all children need structure and guidance, and at times, may challenge Summer Fun rules; our leaders will be vigilant in asking all children to respect the rules which will be clearly posted and communicated. This discipline policy, however, is meant to deal with more difficult behaviors using a "3 step" model. It is as follows:

<u>Step 1</u> – Child will be given a breather and opportunity to calm themselves; Summer Fun Coordinator will phone or speak with child's parent in person at the end of the Summer Fun day. A letter will be delivered to parents as soon as possible to describe the behavior/incident, consequences applied, and confirmation that the child has moved to Step 1 of our discipline policy.

<u>Step 2</u> – Child will be given a breather, with an opportunity to calm themselves; parent will be called immediately following the incident and will take the child home for the day. A letter will be delivered as soon as possible to the parents to describe the behavior/incident, consequences applied, and confirmation that the child has moved to Step 2 of our discipline policy.

<u>Step 3</u> – Child will be given a breather; parent will be called immediately following the behavior and applied consequence and will take the child home for the day. The child will not return to the Summer Fun Program for the remainder of 2021. Parents, Summer Fun Coordinator, and the Director of Community Services will meet in person as soon as possible to discuss the behaviors and consequence. There will be no refund given when a child is asked to leave the Summer Fun Program for any length of time.

**Please note that steps can be skipped (i.e. from Step 1 to Step 3) immediately depending on the severity of the child's behavior/incident and the judgment of the Summer Fun Coordinator and Director of Community Services.

At any time, parents can request a meeting with the Summer Fun Coordinator and/or the Director of Community Services to discuss concerns, children's behaviors, or ways to improve the overall Summer Fun experience.

Registration Form- Program Fees

*please complete the following forms and drop off at the Town Hall or mail to: Attn: Haley Hendriks, Summer Fun Program Coordinator Town of Vermilion 5021 49 Ave Vermilion, AB T9X 1X1

Group
