Eric Valois, P.Eng.  
McElhanney Ltd.

## 2025 WTP HEADER REPLACEMENT

The Town of Vermilion will only accept **Electronic Submissions** submitted via email ([evalois@mcelhanney.com](mailto:evalois@mcelhanney.com)) no later than **2:00:00 pm local time on Friday, July 04, 2025**, for the Town of Vermilion – 2025 WTP Header Replacement. There will be no public opening.

The Scope of Work to be undertaken generally includes:

- Replacement of an existing WTP header piping and associated components.
- Installation of a new water meter on the reservoir intake.

Starting 02:00:00 pm, local time, Thursday, May 29, 2025, Tender documents can be obtained by visiting [www.vermilion.ca](http://www.vermilion.ca), APC, or BuildWorks.

A Pre-Bid Meeting held on **June 10, 2025**, at **2:00:00pm** onsite to discuss the project parameters and to take questions from potential bidders. Attendance by bidders at this meeting is encouraged, but not mandatory.

Bidders must regularly check BuildWorks for addenda.

Bidders are completely responsible for ensuring that their bids are received prior to the bid submission deadline. Hard copy forms of bids or amendments WILL NOT be accepted.

Submission of a Proposal by the Bidder gives the Town the right to require the Bidder to execute the Contract and to perform the Work as set out within the Tender Documents. Submissions may not be withdrawn at or after the bid submittal deadline and will be irrevocable and open for acceptance by the Town for a period of sixty (60) days following the bid submittal deadline.

The bidder acknowledges and will be willing to accept the role of prime contractor pursuant to the occupational health and safety act requirements and by submission of a bid acknowledges that it has the capability of fulfilling this requirement.

***The Town reserves the right, without prejudice, to reject any or all Proposals.***

Inquiries regarding the TENDER Document and/or Drawings shall be by email only and directed to Eric Valois ([evalois@mcelhanney.com](mailto:evalois@mcelhanney.com)). The deadline for contractor questions will be received up to 10:00 a.m. on Friday, June 13, 2025. Any inquiries after this time will remain unanswered.

The substantial completion date for 2025 WTP Header Replacement is anticipated to be Monday, December 15, 2025.

## **1.0 Special Provisions**

- .1 It is the intention of this section to provide specific information, clarification or material specifications for the construction bid items for this project.
- .2 Refer to Section 00 73 00 – Supplementary Conditions for specific information and/or clarification for project requirements non-related to construction bid items.

## **2.0 Summary of the Work**

- .1 The Work to be undertaken is generally described as 2025 WTP Header Replacement. The project will be constructed in accordance with the plans and specifications including but not limited to the itemized task list included with Section 01 11 00 – Summary of the Work.

## **3.0 Shutdowns**

- .1 Shutdowns cannot be completed between July 20<sup>th</sup> and July 28<sup>th</sup>, due to the Vermilion Fair.
- .2 Shutdowns will be limited to 72 hours.
- .3 The Contractor must provide one (1) week notice for any shutdowns.

## **4.0 Owner Supplied Materials**

- .1 The Owner is responsible for supplying the water meter and **wafer check valve for the fire pump noted** in the drawing package.

- END OF DIVISION 40 -
