MEDIA RELEASE

As many residents may already be aware, yesterday afternoon a small plane crashed North of Vermilion claiming the lives of two (2) people.

On behalf of the Town of Vermilion, Council, and our entire community, I extend our deepest condolences to the families, loved ones, and all those affected by yesterday's tragic accident near our local airport.

Our thoughts and prayers are with the families during this incredibly difficult time, and we want them to know that our community stands with them in their grief.

Thank you to our first responders, including the Town of Vermilion's Volunteer Firefighters, the Vermilion Royal Canadian Mounted Police (RCMP) detachment, as well as the paramedics for their swift coordinated response to secure the area.

Respectfully,

Joshua Rayment
Deputy Mayor
Town of Vermilion
